Status as of July 17, 2026

Congratulations - Your new Pierce apparatus is now in production at the Bradenton, FL facility! This week your commercial chassis arrived and began preparations for fire and emergency use, the pump house began initial assembly, the tank was painted, and the body began fabrication. In the next report chassis prep may continue, the pump house may continue initial assembly, the tank may remain staged, and the body may continue the fabrication process.
